Sir,

With reference to clause 5 of para 1 of your letter No.Rel.258-69/R.A.6-26-6 dated 5th October 1926 directing that voting boxes and locks used on the occasion of the elections in the year 1924 may be utilised for the present elections also, I have the honor to state that most of the Amildars and Presidents of Municipalities (urban area) have reported that the boxes and locks supplied on the last occasion are not now available for use as the boxes have been eaten by white ants and otherwise damaged and have requested that new boxes and locks may be supplied. As damaged boxes will afford scope for surreptitious insertion or removal of voting papers, I consider that strong boxes made of teak-wood and provided with good locks should be supplied to the Polling Officers for depositing voting papers. There are in this District 9 rural and 3 urban constituencies and for these about 30 boxes may be required. I request that the supply of teak wood boxes may be kindly sanctioned and a sum of Rs 300 allotted for this purpose.

I have the honor to be,

Sir,

With reference to your letter No.Rel:381/R.A.1-26-12 dated the 17th instant pointing out that in connection with the election of Representative Assembly and Legislative Council members in the year 1924 the purchase of only 18 Polling boxes and locks at a total cost of Rs 102-2-0 was sanctioned and enquiring why 30 boxes and locks at a cost of Rs 300 are required for the ensuing election, I have the honor to stat that the boxes supplied in the year 1924 were of deal wood while it is now proposed to supply teak-wood boxes which cost twice as much as deal wood ones or even more. Thirty boxes are now required as against 18 supplied on the last occasion as, for the 12 constituencies in this District (9 rural and 3 urban) nearly 20 or even more polling stations will have to be opened at one for every 500 voters as per instructions issued with your letter No.Rel.68-78/R.A.6-26-2 dated 17th August 1926 and every station has to be supplied with 2 boxes, one for election of the Representative members and the other for Legislative Council members Some 8 or 10 boxes supplied in the year 1924 which are now available and are slightly damaged will be got repaired and these supplemented by thos now proposed to be purchased will meet the requirements of all the polling stations to be opened. It may however be added that not more tha what will be absolutely necessary will be purchased and the probabilitie are that the full amount now asked for will not be spent. As regards the locks supplied in the year 1924 some have been lost, some are damaged and very few are in good condition. In the circumstances I request that the supply of the required number of teak wood boxes and locks at a cost of (not exceeding) Rs 300 may be sanctioned.

Sir,

In connection with the ensuing elections to the Representative Assembly and the Legislative Council, I have the honor to state that at least 47 Polling centres have to be organised at the several Taluk Head-quarter Towns as noted in the margin as the number of voters

1. Polling centres for the election of members to the R.A. from Rural constituencies for 10 Taluks at 2 per Taluk - 20
2. Polling centres for the election of members to the L.C. from Rural constituencies for 10 Taluks at 2 per Taluk - 20
3. Polling centres for the election of members to the R.A. from Urban constituencies at one per Municipality - 7

47

is considerably in excess of a Thousand in each Taluk.

2. As the number of local officers such as Amildars, Sub-Registrars etc. now available for being appointed Polling officers is not adequate for these centres, sanction of Government may kindly be obtained to enable me to call upon the officers of the rank of Superintendents and Assistant Superintendents of the Secretariat to serve as Polling officers in the Bangalore City and the neighbourhood. It may be stated that the services of not more than six such officers will be required. The 12th of March 1927, the day fixed for the elections being a close holiday, it is presumed that no serious disturbance of Government work will ensue by the deputation of these officers for polling work.

Separate action to be taken

For 25 Voting boxes Rs.125/-
For providing shelter etc. 75/-
Rs.200/-

3. In this connection, it is also requested that a sum of Rs.200/- may kindly be arranged to be placed at my disposal to meet the cost of the voting boxes and other incidental expenses such as providing shelter etc. connected with the election.

REPRESENTATIVE ASSEMBLY AND LEGISLATIVE COUNCIL

Dear Sir,

Please refer to my letter No.D4. 94/1926 dated 14th December 1926, to the General Secretary to Government and to the subsequent reminders dated 13-1-1927 and 31-1-1927 requesting sanction of an allotment of Rs.250/- for the purchase of additional ballot boxes for use in the ensuing elections to R.A. and Legislative Council. As you know, the election comes off on the 12th March 1927 which is a little over a month from this date. I have on hand only 32 ballot boxes. From the Notification relating to Polling Centres fixed in this District (a copy of which is sent herewith, for ready reference), you may see that I want in all 64 boxes. I therefore require 32 boxes more for the occasion.

As I have to order the preparation of boxes only after the grant is sanctioned and as then it would be very difficult to get them prepared in time, I request you to kindly obtain sanction of Government for the same immediately.

Yours sincerely,

Sir,

With reference to your letter No.Rel: 408/R.A. 6-24-14 dated 7th December 1926 intimating that a sum of Rs 150 would be duly placed at my disposal for the absolutely necessary number of voting boxes, I have the honor to state that 15 Polling centres have been proposed to be established in this District and that 30 boxes are therefore required for the purpose. Only 7 boxes have been reported to be available in the Taluk offices. Hence 23 more boxes and 26 locks are absolutely necessary. 8 Teak wood boxes at a total cost of Rs 74 have been got prepared as there was an idea of having all the boxes made out of teak wood, if funds permitted, as already reported in this offic No.A-5.C.2370/26-27 dated 27th October 1926. As the funds that the Government have been pleased to place at my disposal will not be sufficient to do so, the remaining number of boxes viz 15 will be got made out of deal wood as on the previous occasion without exceeding the sanctioned amount.

I therefore request that the sum of Rs 150 referred to above may be arranged to be placed at my disposal immediately and the fact intimated to the Comptroller as well.

In view of the urgency and importance of the affair, a wire was also sent to the Secretary to Government, General Department, Bangalore as noted in the margin on the 16th instant and no reply has so far been received. Under these circumstances, I request that sanction may kindly be obtained for the allotment of Rs. 250/- at a very early date so as to enable me to make payments in time and see that the

SIR,

Adverting to D.C. No. Rel. 570-97/ R... 34-26-2 dated 12th February 1927 stating that the marking on the voting papers might be made either in blew, red or copying pencil, I have the honor to state that the Superintendent of the Stationery Depot who was requested to supply the pencils required states that - copying pencils are not stocked in the Depot and that the supply of coloured pencils for voting purposes in excess of the usual supply on indents requires sanction of Government. Hence I have purchased 74 of red and blue pencils locally at a cost of Rs 18-2-0 This number has been found on calculation to be necessary to meet the demands of the several polling centres.

2. Eight ballot boxes in addition to what was used at the last Election, have been got prepared at the Wesleyan Mission Workshop at a cost of Rs 7-8-0 each and eight locks of 6 levers each have also been purchased at annas fourteen each.

3. The total cost of all these items comes to Rs 68-4-0 and a bill is herewith submitted for favour of sanction. The amount may be met from the grant of Rs 15,000/- sanctioned under " Lump sum on account of the coming elections of Representative Assembly and Legislative Council and E.C.
